About Sarthak

Sarthak Foundation reaches out to children and youth between the ages of 3 and 21 years belonging to very marginalised and poor, rural and urban communities to take inclusive, happy education along with skilling right to their door step.

What began with 6 children in 2013 has expanded to around 6000 direct beneficiaries located in 5 districts – spreading across 20 slums and 70 villages – in Uttar Pradesh.

Our projects are:

- Yellow Rooms
- RTI Sarthak Gurukul
- Yellow SLATEs **NEW**

Our Vision: Happy Empowered Children!!!

Community Outreach Programme

Highlight
of the
month

Introducing our "Community Outreach" initiative, aligned with our motto "Happy Empowered Children." This program extends our support beyond #YellowRooms to empower communities.

The Programme makes resources available to the children and their parents in their immediate surroundings. The Community Outreach Team conducted surveys to find out if all necessary documents like Aadhaar card and ration card are issued to them. As of July, the team has successfully conducted 637 surveys.

Ladies Circle India

We cannot thank Ladies Circle India enough for their continued support towards rural and urban communities. They organised an eye check-up camp and free spectacles distribution for children and families of RTI Sarthak Gurukul, village Sonari, Uttar Pradesh.

VBeyond

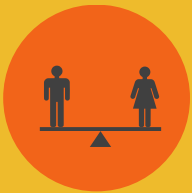

Yellow Rooms offer ample chances for corporate interactions, enhancing communication and emotional intelligence. The collaboration with VBeyond for employee engagement programme further enriches this experience, positively impacting children's education and social skills.

Gurukul Plant Management Team

Our heartfelt gratitude to Ladies Circle India and Prithvi Innovations for partnering with Gurukul. Their sustainable education and green initiatives align with our values. Children actively engaged in the eco-friendly movement by planting 100 saplings in and around Gurukul.

Yellow SLATEs

Sarthak Yellow SLATEs (Sciences, Languages, Arts, Theater and Ethics)

This year, we have taken our Yellow Rooms model into the government school system of UP. We call this project - Yellow SLATEs.

The aim is to improve upon children's foundational literacy & numeracy, digital literacy and communication skills/expressions/confidence while also imparting good moral values and improving their cultural awareness.

We have come up with a custom curriculum called Naitik Shiksha that uses stories from Indian sources such as Jaatak Kathaein, Panchatantra, Hitopadesh and Amar Chitrakatha. We deliver this using the medium of theatre and storytelling.
