The room has a whiteboard on the wall and a striped rug on the floor. The balloons are in shades of purple, yellow, and pink. The children are wearing casual clothing like t-shirts and shorts. The overall atmosphere is joyful and playful.

VBeyond distributed ration and helped elevate the nutritional fulfilment of our children. They helped families to combat starvation and raised awareness about healthy alternatives.

Lucknow Angels Meet

We had the pleasure of the company of our cherished supporters, and we took the opportunity to recognize the contributions they have made to the journey of Sarthak Foundation. The Angels engaged in fun activities, reconnecting with their inner child as they put colours in the Yellow Rooms painting. It was a pleasant gathering where children interacted with their Angels.

Yellow SLATEs

Sarthak Yellow SLATEs (Sciences, Languages, Arts, Theater and Ethics)

This year, we have taken our Yellow Rooms model into the government school system of UP. We call this project - Yellow SLATEs.

The aim is to improve upon children's foundational literacy & numeracy, digital literacy and communication skills/expressions/confidence while also imparting good moral values and improving their cultural awareness.

We have come up with a custom curriculum called Naitik Shiksha that uses stories from Indian sources such as Jaatak Kathaein, Panchatantra, Hitopadesh and Amar Chitrakatha. We deliver this using the medium of theatre and storytelling.
